Study Title: Visualisation of Financial data

Researcher: Anush Varma

Contact: 2119091@swansea.ac.uk

Purpose of the Study

You are invited to participate in a research study that evaluates user experience of viewing financial data through glyphs and connected scatter plots. The study is carried out through a web application which will be provided to you and other participants.

What You Will Do

- Provide your email for study participation and for login to the web application.
- Complete a short test where you will select from three options (positive trend, negative trend, neutral trend)
- Complete an anonymous survey about your experience on the website.

Data Collection and Privacy

- Your **email** will be collected only for study participation tracking.
- Your **test responses** will be recorded for analysis.
- The **survey is fully anonymous**—no identifiable information will be linked to your responses.
- Your data will be kept confidential and used only for research purposes.

Voluntary Participation

Participation is entirely **voluntary**. You can withdraw at any time without consequence. If you choose to withdraw, any identifiable data associated with you will be deleted.

Consent Confirmation

By checking the consent box and continuing with the study, you confirm that:

- You have read and understood the study details.
- You agree to participate voluntarily.
- You understand that your data will be used for research purposes.
